## A higher level of software support

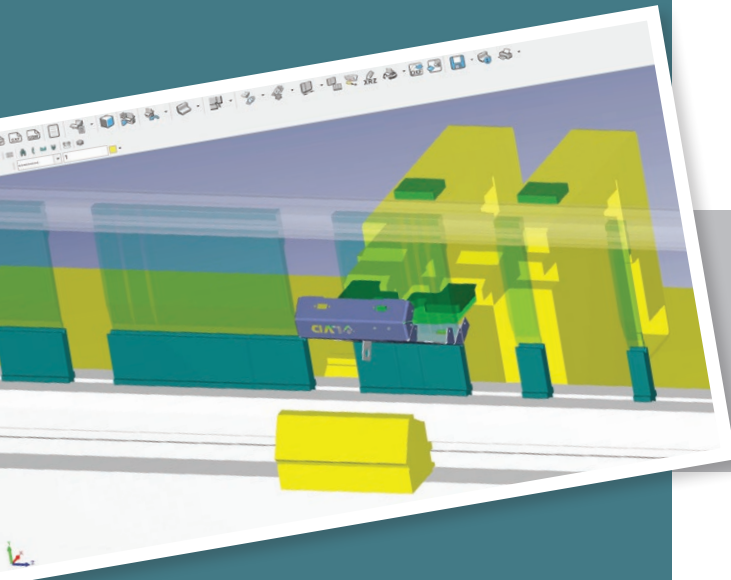

CADMAN® Club is a subscription-based membership program for CADMAN® software, offering comprehensive support benefits to ensure your CADMAN products are the latest technology and delivering a range of ongoing support assistance and training.

## Why CADMAN Club?

- A customer-centric approach
- Significantly lower up-front investment in CADMAN-L, B, P software
- Software technology is always current
- Unlimited access to training centers, technical support and more
- Increased confidence in your software solution

## Membership benefits

- Unlimited software updates (CADMAN and Touch-control software; existing LVD hardware must be able to support the software updates)
- Unlimited online or classroom training at a regional LVD facility or LVD headquarters
- Unlimited service packs
- Unlimited technical phone support during normal business hours, M-F, 8h – 17h
- Web-based assistance via tools such as Telecontrol
- All licenses are floating licenses - install on the server and use the same license on multiple computers
- Service interventions for updates of CADMAN-B, L, P, online access by service technicians
- For more than 5 licenses, regardless of the technology, the price of annual dues for any additional license is discounted 25%
